

California Proposition 65 Warning

Product range: Bolted Pressure Contact Switches, Pullout Switches, Accessories

WARNING

This product can expose you to chemicals including styrene, which is known to the state of California to cause cancer and birth defects or reproductive harm. For more information go to: www.P65Warnings.ca.gov

Styrene can be present in quantities extremely lower (<1000 ppm) than levels defined by the European Chemical Regulation REACH and are not intended to be released under normal or reasonably foreseeable conditions of use. Products are therefore compliant and do not require specific information for safe use according to the REACH regulation. Always refer to Boltswitch manual and general safety instructions available at www.boltswitch.com in order to avoid generating negative environmental or health impacts.
