

GUARANTY

We guaranty that our product is made of good material and in a workmanlike and proper manner and if it is correctly installed by competent electrical contractors, no alterations are made on the equipment and it is properly set up, adjusted and operated by competent persons in an approved manner without abuse, that it is capable, under ordinary conditions, of doing the work for which it is designed; if installed and operated as aforesaid and it shall fail to perform in the manner for which it is designed, then for a period of 1 year from date of original shipment, we agree to send, at our discretion, either competent personnel to repair, replace or remedy a defect, or to furnish a replacement switch, without charge. In no instance shall we be liable for any consequential damages, secondary charges, expenses of erecting or disconnecting, losses or damages resulting from an alleged defect of our equipment.
